for Infants and Children.

## Don't Poison Baby.

**FORTY YEARS AGO** almost every mother thought her child must have paregoric or laudanum to make it sleep. These drugs will produce sleep, and a few drops too many will produce the sleep from which there is no waking. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody, without labeling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without your or your physician's knowledge of what it is composed. **Castoria does not contain narcotics.**

The signature of *Dr. H. H. Fletcher* guarantees genuine Castoria. **Physicians Recommend Castoria.**

"I have frequently prescribed Castoria for children with good results." **W. A. CHANDLER, M. D.,** Buffalo, N. Y.

"As the father of thirteen children I certainly know something about your great medicine and, aside from my own family experience, I have, in my years of practice, found Castoria a popular and efficient remedy in almost every home." **W. J. McCRAE, M. D.,** Omaha, Neb.

"I object to what are called patent medicines, where maker alone knows what stuff is put in them, but I know the formula of your Castoria and advise its use in proper cases. I judge it to be a very useful, as well as harmless family medicine." **N. B. SIKES, M. D.,** Brooklyn, N. Y.

## Hawaii To Try for Tom Morris Cup

On Wednesday next at the Country Club the Hawaiian Golfers will make their first attempt to capture the Tom Morris Memorial Cup. This cup is put up by Peter Dawson of Glasgow, Scotland, and the donor's name is probably as well known to all golfers as the celebrated "Tom Morris" is; for wherever golf is played—and that is all over the world—there is to be found a wee draple of Dawson's whisky.

Tom Morris was for many years professional at the great St. Andrews Golf Club, and, on his death, which occurred a little time ago, Mr. Dawson decided to perpetuate the wonderful old man's name by giving a magnificent cup to be competed for all over the world on the veteran's birthday.

The cup, which has to be won three times by a club to become its absolute property, is a beautiful specimen of the jeweler's art, and cost no less than \$1,000. The trophy stands five feet high and is made of silver and copper with a solid silver figure of Tom Morris at the base, and is surmounted by another silver figure representing Victory.

The conditions attached to the tournament for the trophy are that the players must all be twenty-five years or more of age; that a team of eight men play; that the course be eighteen holes and certified score cards be sent to the Secretary of the Western Golf Association, who will determine the winners.

There are no less than 124 clubs in the Association, which covers a territory bounded on the north by Duluth, Minn.; on the south by El Paso, Texas; on the east by Buffalo, and on the west by Honolulu, Hawaii.

Owing to the age condition inserted in the Morris tournament, two

of Hawaii's best golf players will not be able to compete. Austin White and H. Gifford are under the age stipulated, and consequently will be unable to take part in the competition. This is a great pity, as otherwise our local men might have shown up well as compared with the rest of the association.

However by the time the cup is played for next year one of the twain will have attained the ripe old age of five and twenty and will be eligible to play for the honor of Hawaii.

Even if Hawaii does not show up in the winning list the very fact that we are entered for the cup struggle will be a great advertisement for the islands, and doubtless many people who are only dimly aware that the "Sandwich Islands" do exist, will, through the agency of the Associated Golf Clubs, be shown that these islands are up to date in every way, and maybe many a golfer will be induced to make the trip to Honolulu.

All the local players are very keen on the idea of competing in the Tom Morris competition, and it is hoped that the local men make a good showing at their initial attempt.

## Is Johnson In Jim Jeffries Class?

PHILADELPHIA, June 9.—Stanley Ketchell knocked out Jack O'Brien in the third round of what was scheduled to be a six-round go here tonight. The fight was a whirlwind affair from the opening.

So Jack O'Brien has once more been defeated, and this time by Stanley Ketchell, who is matched to fight Jack Johnson in July. From the cabled account of the fight it seems to have been a slugging go from the start.

It is probable that O'Brien, feeling confident after the go he put up against Johnson, rushed in to eat Stanley up, but instead of meeting a half trained man, ran up against a husky young giant who was in the best of condition, and ready to fight for his life.

The Confessor does not seem able to see that he is a has-been, and as long as he can get a match will step into the ring and have a cut at anybody. On the showing that Ketchell made against O'Brien, who in turn drew with Johnson, the first-named must be given a long-shot chance at the nigger. But it would be a risky bet to place a wad on Stanley, as the "Daddy" he will go up against will be a very different man to the one that Jack O'Brien tried conclusions with. Otherwise it would appear that Johnson, O'Brien and Ketchell were in about the same class, and then what on earth chance would Lil Arth have against the big boiler maker Jim?
